

# CMD PiX- ECO-BANNERS

The **PiX** display banner is an economical option for your marketing needs. Sleek and modern and roll up in seconds.

- It is used to create a focal point at any event and it has plenty of space on which to print your brand advertising or information.
- It also makes an eye-catching landmark when placed in an open area.
- These banner stands can be easily folded in minutes and they are also impressive when illuminated from inside.
- These stands are all set to impress and entice your brand image and information.

The **PiX** comes in three sizes, the base is silver with a black end cap. A black base colour is available for special order. All BannerBug® displays come with a nylon carrying bag. Optional hard cases are also available.
