

iPad tablet stand

features:

- High quality aluminum frame, with a lifetime warranty
- Fixed mount and locking system
- Easy, tool-free assembly for quick one person set-up
- Optional halo and base panel graphics

The Versa Tablet Stand comes with a lockable mount that keeps your tablet secured to our stand. The mount can be adjusted to display vertically or horizontally and can work with most tablet devices. The stand itself is portable and constructed of lightweight aluminum. This stand consists of 3 pieces that assemble in minutes. Add branding or graphics with our halo and base custom panels.

Note: Tablet mounts does not hold the iPad Pro or Surface.
